## Product Description

Whether it is to enhance the overall atmosphere of the indoor environment or to give the space more life, artificial flower wall decor is an excellent choice. To create a comfortable and pleasant home environment, fake plant wall decor integrates the beauty of nature into every corner of life.

### Pastoral style simple decoration

Artificial floral wall decor brings a fresh pastoral atmosphere to living room and bedroom walls. The colorful camellia buds show bright and colorful colors, and the artificial wall-mounted green plants have a high degree of simulation, injecting natural vitality into the indoor space.

### Iron round plant flower basket

The blend of fresh greenery and bright colors makes people feel like they are in a garden. This iron round plant basket is not only a decoration, but also a unique piece of art that adds life to the room.

### Rich variety

Wall artificial plants include clematis, winter jasmine, pothos, weeping willow and other plants, each of which shows a unique beauty. The combination of these plants creates a layered and colorful wall decoration effect.
