Product Description

Product Introduction:

With its simple design style, artificial christmas hanging basket combines real pinecones and colorful LED lights to add a warm atmosphere to your patio decoration. The exquisite hand-made craftsmanship shows artistic value and humanistic atmosphere, making Christmas more special.

Environmentally friendly materials, healthy and pollution-free

Christmas artificial hanging baskets are made of environmentally friendly materials such as plastic, Christmas tree resin, and real pine cones to ensure that the products are healthy, environmentally friendly, and harmless to the home environment.

Colorful LED lights illuminate your home

Artificial christmas hanging baskets with lights add color to your home and create a warm and romantic Christmas atmosphere.

Exquisite craftsmanship, realistic and delicate

Real pine cones and fine simulated cherries are hand-made to present a realistic and exquisite decorative effect, adding natural beauty to the yard.

American modern simple style

The artificial hanging Christmas basket adopts American, modern and simple design style and integrates into home decoration to make Christmas more fashionable.
