The Simulated lily is a highly simulated and timeless work of art from our collection of simulated flowers. Its 99% fine simulation ensures that the artificial lily flowers look realistic and resemble real flowers. This not only makes it a symbol of a beautiful home, but also adds an elegant atmosphere to your living space.

The lily is described as a flower shaped like a crown, symbolizing noble power and wealth, bringing a unique taste to the home. The bendable branches of artificial lily bouquet make it easy for even novice flower arrangers to control, allowing you to create exquisite floral arrangements at home.
