### Product Description

This artificial stage catwalk decorative bouquet will bring a visual feast to the stage decoration. It is not only an expression of art, but also a commitment to environmental protection and safety.

#### Artificial stage catwalk decoration bouquet:

This artificial stage catwalk decorative bouquet is an ideal choice for stage decoration and features three key dimensions: high simulation, environmentally friendly materials and changeable shapes.

#### High simulation:

Each flower is carefully designed to be extremely realistic and lifelike. Whether viewing them up close or from a distance, you can feel the beauty and artistry of real flowers.

#### Environmentally friendly material, non-toxic and odorless:

We use environmentally friendly materials to ensure that artificial beautiful flowers are harmless to the environment, non-toxic and odorless, comply with safety standards for stage decoration, and provide reliable support for artistic presentations.

#### Changeable shapes:

The interior of the bouquet is made of plastic wire, which allows the entire bouquet to flexibly change its shape, adapt to different catwalk designs and stage layouts, and present diverse artistic effects.
